

## Position Title: Senior Accountant

### The Firm

Our firm, yield advisory is very different to others and we live and breathe our ethos of assisting clients businesses to ensure they become:

- More Profitable;
- CashFlow Proficient; and
- Increase in Value.

We couple the above services with providing sound taxation advice.

Our firm has some of the youngest and brightest clients succeeding in business today and our clients are doing some amazing things!

Our firm has recently opened a brand new office located on the Sunshine Coast, due to exponential growth over the past few years.

Our firm is completely paperless, cloud based and we use Apple Mac's!

### The Role

Throw out the textbook, we need you to understand what the clients wants to achieve first!

The role involves working closely with a select group of clients to help them grow their businesses with the additional challenge of keeping their tax bill down. You would be involved in the preparation of financial accounts, tax returns, compliance requirements and financial projections.

You will be highly mobile as we work with Macs to ensure flexibility and you will actively seek business development opportunities in the Sunshine Coast to help support the growth of yield advisory.

Your clients are all business clients but mainly professionals in health, legal or finance space and you will manage these relationships in a confident and professional manner in collaboration with the Managers and Directors of the firm.

Expect heavy contact that does not just involve meetings in the office but drinks with clients to truly develop client relationships.

The role will involve colluding with our team in the Brisbane office on necessary assignments as well as team functions.
